Junior, Elite and Master classes have the added draw of one of the coveted Cycling Ireland 'National Champion Jerseys' up for grabs. Everyone wants one of these, it's going to get interesting!

BMX Ireland and Cork BMX Club would like to thank Cork City Council for having the vision to facilitate such a high standard track at Tramore Valley Park.

This is the second major BMX event to come to Cork City this year and we look forward to many more in the coming years. The southern region may well be the key to opening the full potential of our great sport.
